

HAVE A BEER !

(Music: B. CHAMBERT; Lyrics: B. FOLCH)

You never drink water, you never drink wine,
The drink you think it's better
Is the drink you take in bars
Anywhere, anytime,
Alone or with someone,
The same words in your mind

Come on, Have a beer!

You don't have favors,
Stout, lager, pale or porter!
In bottle or on drought,
You take beers of any brand
Kronembourg, Spaten, Biemish, Hoegaarden, Adelscott, Heineken!!

Come on Have a beer!

Guitar Solo

When you drink to much, you are out of your mine,
Stomach n' headache,
N' you only want to lie,
But you know that tomorrow, with some strappin' fellows,
It'll be like every day,

Come on Have a beer! (x4)
